Nuovo è anche il design: "One" e "OneQ" sono i primi due modelli della collezione, progettati da Colombo Design.

Maniglie dalle linee morbide e pulite, che ben si prestano ad essere declinate in tutte le varianti cromatiche RAL. Nessun limite quindi alla creatività: "ne facciamo di tutti i colori"!

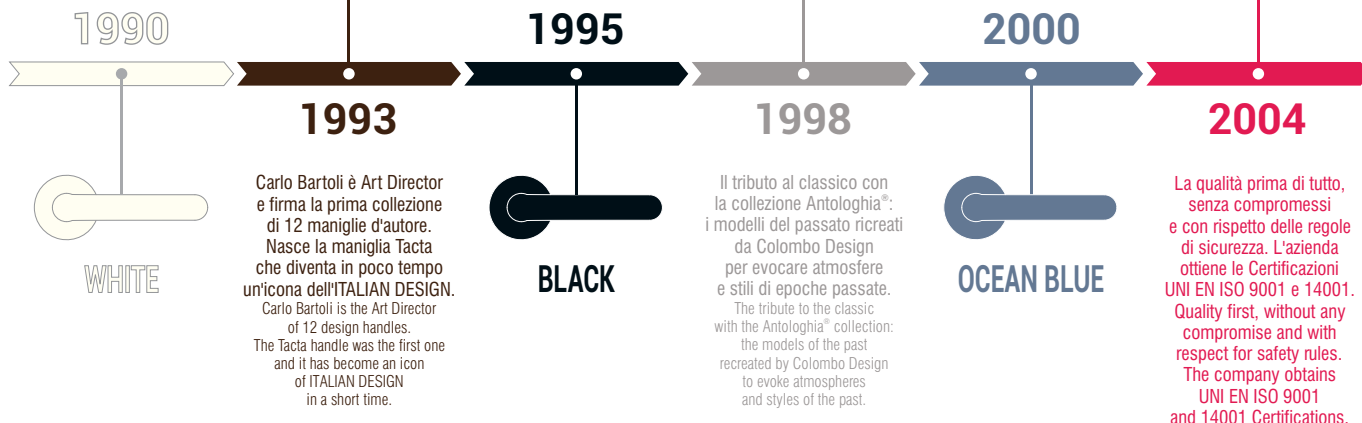

The design is also new: "One" and "OneQ" are the first two models of the collection, designed by Colombo Design.

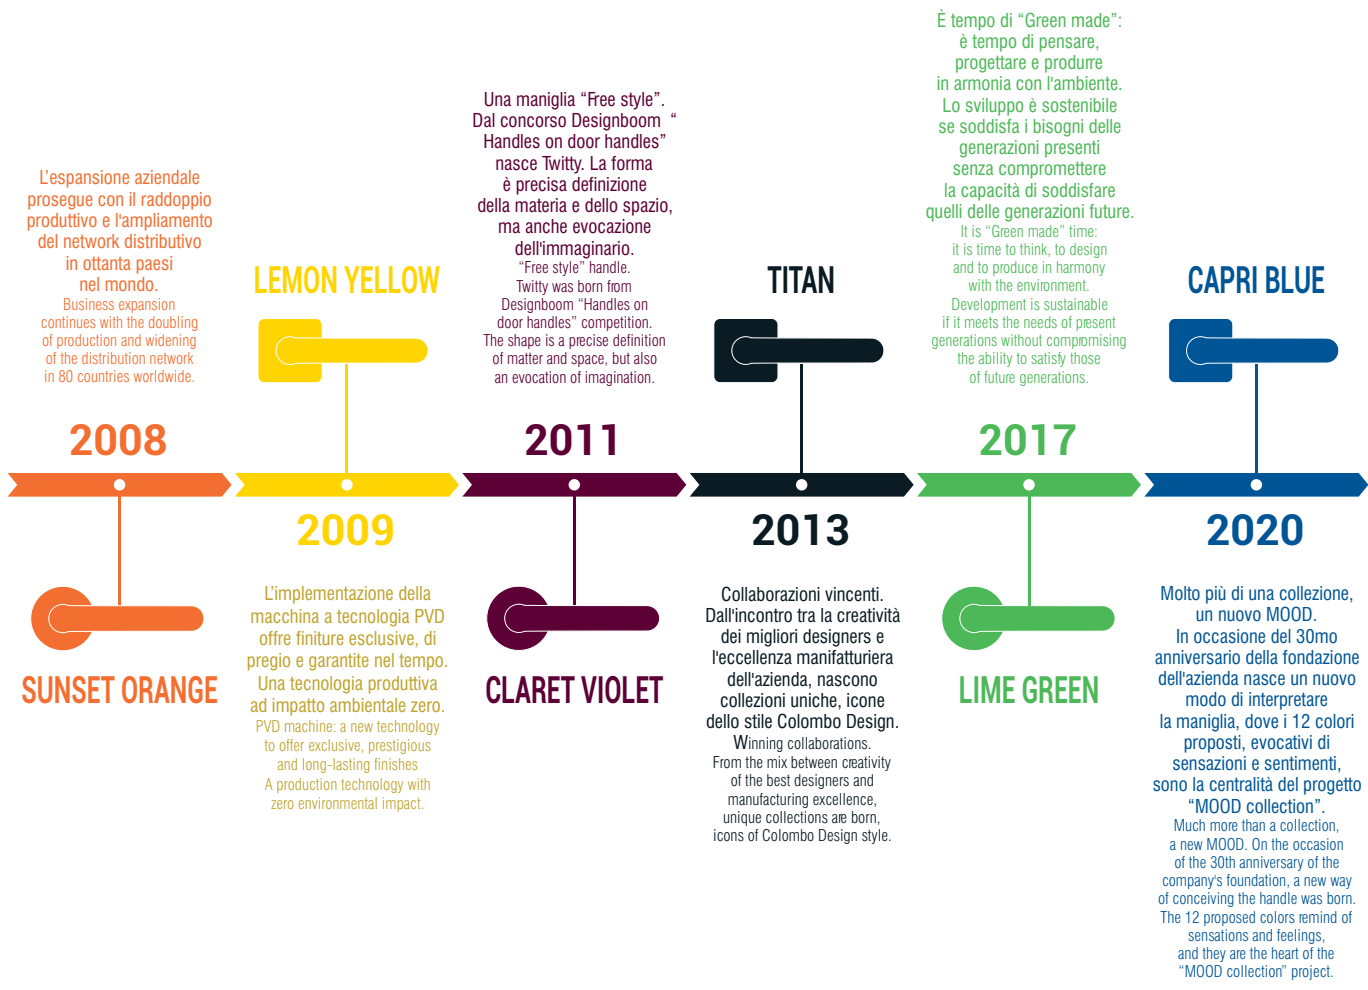

Handles with soft and clean lines, which can be easily declined in all RAL color variants.

So there is no limit to creativity: "we are up to all sorts of things ... and colors"!

12 colori per 12 tappe significative di un viaggio lungo 30 anni e proiettato verso il futuro. Ripercorrendo la storia di Colombo Design dal 1990 al 2020, sono stati individuati gli anni che hanno segnato in modo determinante lo sviluppo aziendale, associando ad ognuno di essi un colore tra quelli proposti.

Dalla passione, competenza ed esperienza della famiglia Colombo nasce Colombo Design, un'azienda che pone al centro dei suoi prodotti qualità, estetica e funzionalità. Una family-company che infonde ai propri prodotti i valori e le tradizioni del saper fare italiano. Colombo Design was born from passion, competence and experience of the Colombo family, a company that puts quality, beauty and functionality at the center of its products. A family-company that creates its products with values and traditions of Italian know-how.

12 colors for 12 significant stages of a 30-year journey projected towards the future. Tracing the history of Colombo Design from 1990 to 2020, we have identified the years that have decisively marked our company's development, associating each of them with one color from those proposed.

MOOD Collection di Colombo Design dà spazio al colore e alla creatività. Un nuovo modo di presentare e interpretare la maniglia.

Protagonista è il colore, con la sua capacità di esprimere il *sentiment* di chi lo sceglie e di plasmare l'ambiente, arricchendolo di stimoli visivi che parlino delle persone che lo vivono.

Colombo Design's MOOD Collection gives space to color and creativity. A new way of presenting and conceiving the handle.

Color is the protagonist, with its ability to express the sentiment of those who choose it and to shape the environment, enriching it with visual stimulations from the people who live in this environment.
