Product List 2017

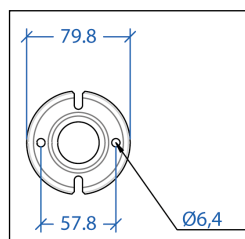

formerly Blancogrip/AMS Sanitary
and rehabilitation technology,
barrier-free bathroom and WC fittings

Important dimensions:

All pipes have a diameter of 32mm x 1,5mm.

Fixing rosettes
79.8mm Ø.

Cover rosettes
80mm Ø.

For all grab rails that are mounted parallel to the wall: distance from wall to centre of pipe: 88mm, except for the E Series: 70mm.

All dimensions are quoted from centre of pipe to centre of pipe or from centre of pipe to wall (floor, ceiling).

All U-shaped wall support rails and folding grab rails are suitable for right and left-side mounting.

Right and left side variants:

All products with right or left side variants are described from the viewer's perspective instead of from the user's perspective. In other words, the product is described as it would be seen by the technician who is mounting the rails upon entering the room.

Installation:

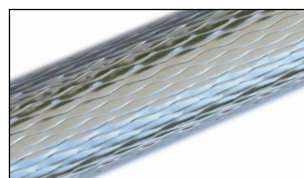

All products are delivered including the standard mounting material for solid walls.

Load capacity:

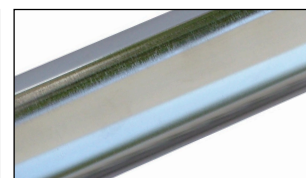

All products (except for folding shower seat A 153.5) are for mounting on solid walls with at least 150kg load capacity.

All Rehagrip products comply with DIN 18040 and ÖNORM B 1600 standards.

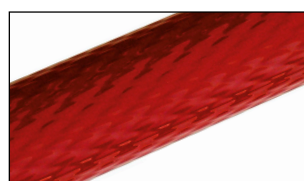

All our products are made of stainless steel material 1.4301 (CNS/chrome nickel steel 18/10), including the Color versions.

Coating Information:

For net order values less than 400 euros net, it is necessary to charge a set-up fee for coating the colour-coated components which amounts to 60 euros. This does not apply to the RAL colour 9010 (white).

Terms of delivery:

All deliveries are based on our general terms of sale, delivery and payment. The goods are transported from Austria by GLS. Delivery costs are determined based on country and order value. Orders over the net value as listed below are delivered for free; partial freight costs are charged for small orders. Various wall handrails are exempt from this regulation. See the products for more information.

Countries	subject to charge when less than, free of charge when more than

* For exports to Switzerland, the purchaser is responsible for the export customs clearance and customs duties (according to freight terms 20). Delivery to all other non-EU countries on request. This does not include the wall handrails. See the relevant product for more information.

Complaints:

Obvious, easily recognisable defects must be submitted in a complaint within 3 days after receipt of goods, or within 3 weeks in the case of hidden defects.

Returning Goods:

Return deliveries must be sent free of postage to the company Christian Stögerer e.U., and the manufacturer must be notified of returns prior to shipping, specifying the delivery note / invoice number and date.

Only goods that are not older than 1 year and which are in their original packaging can be returned. Products that are no longer in the catalogue cannot be returned. It is also not possible to return any custom-made products (products in CNS smooth, COLOR grip, and COLOR smooth).

Flawless and undamaged returned merchandise is generally credited at 75% of the invoiced amount; a 25% deduction is made for the processing expenses. Damaged products (scratched surfaces, cracks, flaws, etc.) are not refunded.
